

### SITE VISITS

The students of Tulsiramji Gaiwad College of Architecture benefited from two site visits aimed at increasing their understanding of the theory that is taught to them.

The students of Seventh Semester (4<sup>th</sup> Year) visited the newly completed Late Kavi Suresh Bhat Auditorium at Reshambagh. They were able to understand acoustical considerations that go into

such a design as well as construction methods and services that are provided.

The students of Third (2nd Year) and Fifth (3rd) Semesters visited the Centre of Science for Villages, Wardha to see first-hand the innovative appropriate techniques used to construct low cost houses. The staff at CSV scheduled seminars and demonstrations that were very beneficial.
