IQAC of Tulsiramji Gaikwad-Patil College of Architecture observed Anti-Terrorism Day.

Anti-Terrorism Day is observed across India on 21st May. The date is chosen to commemorate the death anniversary of one of the most eminent Prime Ministers of India, Shri Rajiv Gandhi (20 August 1944 – 21 May 1991). This day is also observed to make people aware of ongoing terrorist activities and the precautions that can be taken by ordinary people to prevent these acts of terrorism. To spread this awareness, we at Tulsiramji Gaikwad-Patil College of Architecture observed Anti-Terrorism Day by taking pledge online by all staff and students. This program was organized to bring awareness in students against the terrorist activities and its impact on our country. The pledge was given by Principal Prof. Vandana Khante and program was coordinated by Student council President Mudita Jambhore and Rashi Nitnavare.

Vision & Mission

Vision

To encourage creation of functional Architecture that meets challenges and promotes sustainable development.

Mission

To adopt holistic and innovative approach in educating and training students in the essentiality of functionality of Architectural Design.

To address concerns of 21st century by shaping built environment based on futurist methods and techniques.

To establish the idea of sustainability of resources and built environment through intuitive design practice.

Programme Educational Objectives

- To apply fundamental knowledge of Architectural Design and Construction technology for complex architectural problems.
- To analyze the collected information and data and use it using appropriate research method in order to find an appropriate Architectural Design solution.
- To apply selected appropriate Tools and Gadgets with understanding their limitations for making Architectural Design, Drawing and Detailing.
- To understand impact of Built Environment for achieving Sustainable development and also to understand high standards of professional ethics.
- To understand working efficiency as an individual and also as a member of team in multi-disciplinary projects with effective use of soft and communication skills.
- To understand skills in Management technology while working individually, as a member or leader of team in multidisciplinary project to learn continuously to upgrade ourself with fast changing technology and development.

Programme Specific Outcomes (PSOs)

- Apply Architectural skills with basic knowledge in science, design & visual arts, graphics and computer proficiency
- To create and develop Architectural solutions by using Architectural and Civil Engineering software

Online Induction Program for 1st Year Students

Title of Program: Online Induction Program for 1st Year Students

Mode of Program: Online (Google Meet)

Date of Conduction: 09/02/2021 – 12/02/2021

Program Duration: 4 days (11.00 AM to 1.00 PM)

Total Students Benefited: 16

Convener of Program: Prof. Vandana Khante, Principal, TGPCA.

Coordinators of Program: Prof. Nitesh Jibhkate, Asst. Professor.

Co-Coordinator of Program: Ar. Prachi Paunikar, Asst. Professor.

Aim of Program:

To make students familiar with the field of Architecture and inculcate them the ethos and culture of the profession, also to help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

Objectives of Program:

- To make students comfortable and understand about their college and field of Architecture.
- To provide adequate information about opportunities related to field, scope in higher studies, future technologies to learn, etc
- To build strong relationship with faculty members.

Methodology of Program Conduction:

1. Poster for the induction program was made along with the schedule of 4 days with details of activities and time.

- 2. Created the link on Google meet app and shared it with students on separate Whatsapp group and it was mentioned in the schedule also.**
- 3. Informed all students to join the session.**
- 4. All the sessions were conducted through Power Point Presentation for students.**
- 5. At the end Question-answer session has been organized.**
- 6. The link of feedback form designed in Google form shared with the students**

Introduction of Program:

Aarambh 2020-21 Five days journey to Five year. Orientation program for first year batch of academic session 2020-21.

Day 1 - "know your College" It was introduction session of faculties and students. The session was conducted by Principal Prof. Vandana Khante and Dr. Ravi Kumar Bhargava , Design chair. Students became aware of the architecture field and profession.

Day 2 - "Lateral Thinking" Session taken by Dr.Sarika Bahadure from VNIT on creativity. Day 3 – "Basics of Architecture" by Ar. Neha Karotkar from TGPCA giving insight of understanding architecture.

Day 4 – "College Heritage Volunteer Training Workshop" by INTACH Delhi chapter speaker were *Dr. Purnima Datt, along with her team , Dr Madhura Rathod, Convenor, Intach Nagpur chapter, Ar. Nitika Rathod, Co.Convenor , Intach Nagpur Chapter.

Day 5- Know your Seniors a session organised by Student Council President Mudita Jambhore and her team giving an insight of college activities along with Rotract club activities by President Ishwar Jangid, Nasa Compition insight was given by U.Sec Krutika Nimbarte. All five days of orientation program gave

PRINCIPAL
Tulsiramji Gaikwad-Patil College
of Architecture, Nagpur

students the insight about Architecture. Students gave feedback of all events. The program was well coordinated by Prof. Nitesh Jibhkate and Ar. Parchi Paunikar.

Mapping with PO:

This Online Program helps student to learn about

- Architectural skills with basic knowledge in science, design & visual arts, graphics and computer proficiency

Outcomes:

Induction program lend a hand for students to make them clear idea about the field of Architecture and profession, Job opportunities in Architecture as well as higher studies, the software skills and practical knowledge required to get good jobs after graduation etc. They got a very good insight about college and respective faculty members. They also got idea about OBE Education, the details about PEO, POs, COs etc.

Conclusion:

This program is very useful to bridge the gap between college and 1st year Students of Architecture & to make them aware about the field of Architecture and profession.
