

A report on the feedback on curriculum 2018-19

The feedback on the curriculum was collected from the Students, Teachers, Alumni, Parents and Employee. The feedback was collected based on 10 important criteria including

- Improving professional competency, Practical exposure
- Satisfying industry requirement, customers
- Suitability to the current industry requirements
- Enabling employment opportunities, life skills
- Promoting ethics, self-discipline, value system

From the feedback obtained for the year 2017-2018, it was felt by the teachers and industry that there would be a need to enhance the practical applications of the syllabus. The Alumni were of the opinion that the recent technologies are not yet covered by the syllabus.

Actions taken by the Institution:

- The Students are encouraged to undergo these programmes and also for self learning organizing seminars, workshops, conferences and symposia
- The introduction of the courses are recommended and approved by the Advisory boards of the departments.
- These points are to be discussed in the Board of Studies and Academic council meeting by the teachers who participate in the same
- The students and teachers who present papers in conferences are to be suitably awarded
- To enter in to MoU with various industries to improve the interaction between the academia and industry sector.
